

## **Virtual Classroom**

The Virtual INL PREP is facilitated online at <https://learn.whereby.com/prep>. Click to join. No need to create an account. Make sure your camera and microphone are working properly. The room will be locked for security purposes. Knock and the facilitator will let you in.

## **INP PREP Dashboard**

The INL PREP Dashboard has links to all the activities and resources you need to complete the course. Bookmark INL PREP Dashboard (<https://dashboard.inlprep.org>) so that you can always get back in if you accidentally leave the room.

## **External Tools**

Virtual INL PREP uses three external tools to increase collaboration and interactivity during the online sessions – Poll Everywhere, a virtual whiteboard and Kahoot! The information below will help you access and use these tools.

### **Poll Everywhere**

You can access Poll Everywhere - <https://pollev.com/> on your phone or on the web.

Just enter the code: **INLPrep424**

For the best experience on your phone or tablet, we recommend downloading the app.

### **Virtual Whiteboard**

We will be using Miro (<https://miro.com>) as a virtual whiteboard, corkboard, and collaborative gameboard. You can create a free account or join as a guest. The whiteboard is integrated with our virtual classroom

### **Kahoot! Interactive Quiz**

To participate in the Kahoot quiz, you can:

1. Go to <https://kahoot.it> in your browser.
2. Download the app on your phone or tablet.
3. Go to <https://kahoot.it> on your phone or tablet.
4. Enter Game Pin.
5. Answer the questions you see on the facilitator's screen.
